

## FORMS PRINTING DATE ENHANCEMENT

- Enhancement field is the date field found to the left of the lower right hand Print button
- Printing enhancement allows for three different print types
- Current date printing of any forms that utilize date annotations
- Open the Calendar Date LOV and select any future date to populate the forms
- Uncheck the Witness block and print forms without dates/witness

The screenshot shows the 'Forms' application window. The 'Applicant' section has fields for Last (Gross), First (Jennifer), and SSAN (609059635). Below are sections for 'Forms' (Air Force, AETC, DD, MISC) and a 'Print' button. A red arrow points to the 'Calendar' date field, which is circled in red. A calendar pop-up is visible, showing the date 18-Mar-2003 selected. The 'Print' button is also circled in red.
